## BRIEF DESCRIPTION OF THIS PROGRAM

This program is designed for students with an interest in dentistry. Students will explore the dental occupations of Dental Assisting, Dental Hygiene, Dental Laboratory Technician, Dentistry, Dental Sales and Secretarial Dental Assisting. Upon completion the student should be prepared for an entry level position in Dental Assisting and have the necessary skills to continue their education in the dental field.

The students will receive knowledge of dental instruments, work with dental materials and work with dental lab materials. The standards for OSHA infection control procedures and blood-borne pathogens will be taught.

Dental II is a continuation of Dental I with a concentration in radiography techniques, secretarial dental assisting skills, dental specialties and laboratory procedures.

## SPECIAL FEATURES OF THIS PROGRAM

Students will understand OSHA infectious disease control techniques and blood-borne pathogen procedures.

Students will have an opportunity to earn a CPR (Cardio-Pulmonary Resuscitation) certification.

Students are allowed and encouraged to participate in HOSA. A student health occupations organization.
