BRIEF DESCRIPTION OF THIS PROGRAM

FCS at Southgate consists of three courses. Consumer Education and Personal Finance is a course in which students will understand basic economic principles and apply those to daily living. Students will learn about money management, taxes, insurances, stocks and bonds and financial decision making.

Shaping Your Future is a course designed to improve the character and leadership traits among high school students. Ethics, current events, attitudes, preparation, respect and integrity are covered throughout this course.

Living Well/Health teaches health habits that are basic to everyday living. Disease prevention, nutrition, growth and development, emotional and mental health, and substance abuse are a part of this high interest class.

SPECIAL FEATURES OF THIS PROGRAM

Upon completion of this series students will have a good understanding of finances, career planning, goal setting, and achievement. Resumes and personal budgets will be produced. Students will develop better communication skills, critical thinking and decision making skills. They will also have an appreciation for the need to respect others and their beliefs. Our students will also have a better understanding to the healthy choices they should make and the ramifications of not making good choices.
