MALE AND FEMALE STUDENTS.**

BRIEF DESCRIPTION OF THIS PROGRAM

This program combines state of the art Apple workstations, HD cameras, green screen, and a complete up to date studio to help students learn the latest in video and media production. You will learn editing shooting, graphics and audio to produce custom multi-media projects. You will be prepared for an exciting career in the growing media industry. Even putting your videos on the web will be explored.

SPECIAL FEATURES OF THIS PROGRAM

Special guest speakers from the industry
Field trips to places like the Palace
Adobe / Apple technology training
Michigan State Competitions
You will learn to DESIGN your own web-site and
be able to post to it.

DCTC
