### BRIEF DESCRIPTION OF THIS PROGRAM

You can join the Flat Rock Welding program for a career in the welding field. Right now there are 600,000 jobs available for welders in the United States with pay ranging from 10 to 100 dollars an hour. Welding is an exceptional choice whether you plan to go to college or not. You will learn Mig, Tig, Arc, and gas welding. You will also have an opportunity to go to up to 5 different welding competitions to win scholarship money and welding equipment for yourself.

This year 10 students will compete at the state level and I am hoping to take 10 more next year as well.

*Mr. Fowler*

### SPECIAL FEATURES OF THIS PROGRAM

Flat Rock Welding students have proven both through competition and post high school work to be some of the best trained in the industry.
