Patricia Sisler/Technology Teacher SAHS

Dawn Olson/Counselor Southgate Anderson High School

Class Assignments: Classroom assignments are located on the computer and server. Students load up their problems and coincide them with the problems that are assigned to them in the text. Students also receive supplemental assignments handed out by myself supporting the various sections in the text.

Final Exam: The final exam is 20% of the students overall grade. The exam is a comprehensive performance problem that the students must complete. The problem takes in account all segments from 7-12 and applies them to the exam. Once the students completes the exam, they receive a 50 question audit test that will supplement the exam.

Class Policies: All are in line with the Southgate Anderson High School Student Code of Conduct which is in the student handbook.

Evaluation & Grading: Students are graded based upon class work as well as tests and quizzes. Class work is worth 40% of their overall grade with tests and quizzes accounting for 60% of their grade.

Course Outline: Complete the class based upon the segments provided by the State of Michigan. These include: 7- Payroll; 8- Special Journals; 9- Merchandise; 10-Cost Accounting; 11- Inventory and Uncollectibles; 12- Corporate Accounting.
